3m x 4.5m Pop Up Canopy Template 1:10

Design Area

Safe Guide

- Please supply files as vector pdf, ai or eps.
- Please ensure all logos and text are within the safe area to avoid cropping
- Please convert all text to curves/outline
- Please import all logos as vectors and in CMYK mode
- Please supply images at a minimum of 100dpi
- Please quote any pantone colours - canopies are printed using CMYK dye sublimation. Every effort will be made to match pantone colours as closely as possible.
